2023 Women in Construction: Regina Olivieri, Shawmut Design and Construction

March 31, 2023 - Spotlights

Regina Olivieri
Director of Permitting

What was your greatest professional achievement or most notable project in the last 12 months? Receiving an award from the city of Boston for my exceptional dedication and contribution to the construction industry was a highlight when reflecting on the past year. As someone who did not grow up around the construction industry—or initially go to school for construction management—I was grateful to be recognized. Receiving this honor and being acknowledged by the mayor made me realize that all of my hard work over the past 15 years has paid off.
