BOMA Boston Update: BOMA Benefit, BOMA Trivia Night, CPR Training and more!

April 07, 2023 - Owners Developers & Managers

Boston, MA On March 16th, over 300 BOMA members and guests came together at the UMass Club for a night to support charitable partner Bridge Over Troubled Waters. Guests enjoyed a photobooth, passed hors d'oeuvres, cocktails and donated through our direct donation as well as raffle tickets. It was a fantastic night to support Bridge, and BOMA was able to reach their fundraising goal!

On April 4th, BOMA Boston and the Emerging Professionals hosted their sold out BOMA Trivia Night at Clery's. Attendees tested their industry, sports and pop culture knowledge as they competed against colleagues for the chance to win some great prizes! Thank you to our sponsor, BELFOR!

The commercial real estate industry has a professional certification that provides early recognition for foundational knowledge and guides the next generation of property managers toward greater responsibility and success in their careers: The Certified Manager of Commercial Properties (CMCP). The CMCP is the only certification of its kind for early career commercial property managers – you may qualify with as little as one year's experience.
