Located adjacent to I-95, next to Dunkin, with accessibility and visibility, the properties are being developed by GFI Partners, a real estate developer, operator, and investment manager based in Boston. The new address is 1265 West Broad St., and the anticipated completion date for the new warehouse is in the second quarter of 2024.

“We are delighted to have successfully brokered the sale of these two properties,” said Jon Angel, president of Angel Commercial, LLC, who was the sole broker in the transactions and the listing broker for the new warehouse. “The sale is a testament to the strength of the commercial real estate market and the growing demand for high-quality industrial facilities. We look forward to seeing the development of this state-of-the-art facility that will bring significant economic benefits to the region.”
