2023 Ones to Watch Rising Stars: Joseph Beck II, Haynes Group Inc.

May 26, 2023 - Spotlights

Joseph Beck II
Site Supervisor

Haynes Group Inc.

Number of years at firm: 7

One thing on my bucket list: Visit Europe

When I am not working, I am: A father, friend, mentor, podcaster, audio engineer.

What recent project, transaction or accomplishment are you most proud of? The current project I'm supervising is the biggest job I've run in terms of square footage and scope. It's certainly had unique challenges that have kept me sharp, and I think those are the types of jobs we learn the most from and create the strongest relationships with our partners and clients.

What makes this nominee a RISING STAR?

"Joe has shown the key traits that are beyond training; he's got superb attention to detail, a strong work ethic, willingness to learn and grow, incredible customer service, most importantly he truly cares about his teammates, partners, and clients." - Jeff Benevides, Project Executive at Haynes Group, Inc.
