NEREJ's 60th Anniversary: Ed Zuker, Chestnut Hill Realty

June 30, 2023 - Spotlights

Ed Zuker
Founder & CEO

When did you discover the New England Real Estate Journal? When I started in 1969 the NEREJ gave me a good feel for what was going on in the industry and I built a great relationship with Rolly.

In what way has New England Real Estate Journal been a benefit to you and your business? It is good to see what my peers in multifamily housing are up to, along with my friends and organizations in other real estate areas. NEREJ connects our industry with information you get nowhere else.

How long have you been affiliated with the commercial real estate industry? In 1987 the NEREJ made me aware that companies were actively looking for retail space and helped me lease up my one and only shopping center located at Hancock Village.
