When did you discover the New England Real Estate Journal? Haynes Group, Inc. has been a partner of the New England Real Estate Journal for nearly ten years.

In what way has New England Real Estate Journal been a benefit to you and your business? It's been a great way not only to showcase our firm but to showcase our clients, partners, and team. To us, people are the most important and we've been able to showcase everyone along the way.

How long have you been affiliated with the commercial real estate industry? Personally, I've been with Haynes Group for the past five years. But our firm recently celebrated its 20-year anniversary and it's been a pleasure watching it grow over the last couple of years.
