Boston to host USGBC's Greenbuild conference

October 23, 2008 - Retail

The U.S. Green Building Council's (USGBC) Greenbuild conference and expo is an opportunity to connect with other green building peers, industry experts, and influential leaders as they share insights on the green building movement and its diverse specialties. The conference's theme is "Revolutionary Green: Innovations for Global Sustainability." Buildings play a critical role in protecting and improving our environment and the health of the people who occupy them.

The conference will be held November 19 thru November 21. For more information, visit: www.usgbc.org
