Hopson joins TFMoran as structural project manager

July 07, 2023 - Northern New England

Mahreana Hopson

Bedford, NH Mahreana Hopson, PE has joined TFMoran as a structural project manager in the Bedford office. Hopson is a licensed professional engineer in the states of Connecticut and New Hampshire. Hopson earned her Bachelor of Science in Civil Engineering Technology, Magna Cum Laude, from the Rochester Institute of Technology. Her recent experience includes management, design, and documentation of multi-story steel structures with concrete foundations, including occasional mass timber and masonry elements at a national AEC firm. Major projects include new and existing structures in the private and public education, corporate, and healthcare markets. Hopson and her family recently relocated to Goffstown, New Hampshire.
