Gilbert of North Branch Construction receives LEED Green Associate Certification

July 07, 2023 - Northern New England

Susan Gilbert

Concord, NH North Branch Construction's project manager, Susane Gilbert, has recently received the LEED Green Associate credential from the U.S. Green Building Council. LEED Green Associates are equipped with the knowledge and skills necessary to promote and implement green building practices within the workplace and community.

"Since Sue joined North Branch Construction in 2022, she has worked diligently to expand her industry knowledge and skill set to address the needs of our clients and our company," said Joseph Campbell, North Branch Construction president. "Attaining LEED Green Associate credentials is an important and valuable contribution that Sue has made to the quality of the services North Branch Construction provides our clients."
