North Branch completes 90-unit Red Oak at 409 Elm Street development

August 04, 2023 - Northern New England

Manchester, NH North Branch Construction completed construction of Red Oak at 409 Elm St. The mixed-use development includes 90 market-rate studio, one-bedroom, and two-bedroom apartment homes, the corporate headquarters of Red Oak Apartment Homes, and co-working office spaces.

The facility features includes energy-efficient features, LED lighting, Energy Star rated appliances, rooftop solar panels, and electric vehicle charging stations. The ground floor space offers 16 co-work office suites and shared office space, a conference room, a fully equipped business center, and resident mailboxes, package lockers, and resident-only entrance and lobby. Other amenities include washers and dryers in each apartment, central heating and air-conditioning, video security, pet-friendly living, bike and additional storage areas for residents, pet and bike washing areas, and

fitness area and yoga studio. The property features 96,250 s/f over a six-story podium construction with structural steel, concrete, and metal stud framing from basement to the second floor deck and wood framing in the upper five floors.
