24th annual Build Boston set for Nov. 18th-20th at the Seaport World Trade Center

October 29, 2008 - Spotlights

Join us at Build Boston where nationally and internationally recognized industry leaders team up with the northeast's best to share their expertise in over 240 workshops, sessions, symposiums and tours, November 18th - 20th.

The professional development program focuses on a wide range of issues of interest to the U.S. building industry. Issues and themes include:

- *Building science/building technology
- *BIM and other business and internet technologies
- *Codes and contracts
- *Firm and career management
- *Preservation/restoration
- *Project delivery/project management/construction management/business development
- *Sustainable design
- *Urban design/regional design
- *Public policy
- *Universal design

In addition, look for the following exhibits in the gallery and throughout the exhibit hall and conference center:

- *New England Architecture Exhibit
- *New England Interior Design Exhibit
- *New England Landscape Architecture Exhibit
- *Women in Design Exhibit

The Boston Society of Architects/AIA is the founding sponsor of Build Boston and Residential Design and Construction. Visit the BSA Lounge to purchase books, find resources to further your career and practice and relax with colleagues. BSA staff members are available to answer questions about continuing education, membership, advertising opportunities, and more.
