The Azora Exan team was led by managing partner Ignacio Gil-Casares and senior associate Nicolas Guemes.

“7 Post Office Sq. was a unique opportunity with value permanence based on its prime location, architecture, and visibility,” Angelone said. “This deal validates investor appetite for differentiated assets in the right location.”

“7 Post Office Sq. offers exactly what investors are seeking in today’s market: best-in-class product with long-term lease and strong tenancy,” said Nuveen’s Olesen.

Gil-Casares said, “7 Post Office Sq. is the perfect example of the opportunity that we see to buy trophy office buildings in prime locations. We want to continue this opportunistic strategy in select markets.”
