Charlie Mitchell, owner of Bayside Bowl, expressed enthusiasm about the acquisition, citing the location's proximity to the existing Bayside Bowl and its striking structural and aesthetic similarities. Mitchell noted that the new venue features a sunset patio reminiscent of 725 Broadway Bayside's sunset roof and a bar layout that mirrors the original establishment. Mitchell emphasized that

bowling remains the core focus at the new venue.

This expansion represents an exciting development for Bayside Bowl and the local community, promising an enhanced entertainment experience while preserving the essence of the original establishment.
