Heidi Cashman, PE
Senior Geotechnical Engineer/Boston GT Group Leader

How has CREW Boston/CREW Network helped your professional development? Joining CREW Boston has been one of the most impactful decisions I have made for my career and professional development. CREW Boston offers amazing programs that help CRE professionals stay informed of what is happening in the local markets and provides great networking opportunities at every event. Not only have I been able to significantly grow my network since joining CREW, but have also met amazing, like-minded women that have become friends.
