2023 Women in CRE: Emily Paparella, Elkus Manfredi Architects

September 29, 2023 - Spotlights

Emily Paparella AIA, LEED AP, CPHC
Vice President

How has CREW Boston/CREW Network helped your professional development? CREW has given me a deep and rich community of like-minded yet diverse women who are driven to achieve success in commercial real estate in greater Boston. It's also been a place where I have felt most empowered as a woman and been able to easily connect with other professionals, who have provided advice, counseling, and friendship over the years, driving both my professional and personal development.
