Founded in 1981 – celebrating its 42nd anniversary this year – and headquartered in Princeton, NJ, CFMA is an individual membership organization and the only association dedicated to bringing together construction financial professionals and those partners serving their unique needs. CFMA provides invaluable resources and education to its more than 8,300 members and 99 chapters across North America. In cooperation with the Certified Construction Industry Financial Professionals (CCIFP) division, formally known as ICCIFP which merged with CFMA on April 1, 2021, CFMA promotes industry best practices and continuing education in support of its mission: To be essential to the growth and success of construction financial professionals.
