SAK Environmental opens Portland office

October 06, 2023 - Northern New England

Portland, ME SAK Environmental LLC has opened a satellite office to serve the greater Portland area and Southern Maine. This office will expand the company's geographic footprint in New England to better serve both existing and new customers. SAK provides environmental consulting and engineering services to support real estate development and construction, and industrial operations. Services include:

- ASTM Phase I & II Environmental Site Assessment;
- Soil and Groundwater Remediation;
- HazMat building survey for asbestos, lead, PCBs, mold;
- Storm water and wastewater permitting;

- Air emissions permitting;
- Tank compliance;
- Emergency response;
- Toxic Use Reporting.
