What recent project, transaction or accomplishment are you most proud of? My great grandfather founded W.T. Kenney (WTK) in 1939 and we are embarking on our 85th anniversary. I have been working with WTK for 27 years as field painter, estimator, project manager, VP, SVP & now ownership. I am blessed to have experience in nearly every company task through the years. I am grateful and proud to join my uncle, Tim Kenney, as an equity partner and became the 4th generation president on January 1st, 2023.
