2023 Ones to Watch - Industry Leaders: Tim Bailey of Margulies Perruzzi

November 24, 2023 - Spotlights

Tim Bailey, AIA, NCARB, LEED AP
Associate Principal | Partner

3 skills that you use every day in your position: Communication, problem solving, creativity.

Best book, podcast, or app for aspiring leaders: "How I built this"- NPR

Best advice for new leaders in 10 words or less: Stay agile and open-minded.

What recent project, transaction or accomplishment are you most proud of? My growth into a leadership role on both a personal and professional level. I became an associate principal/partner and realized it was time to make an impact on the community outside of the office. I am an adjunct professor of architecture at my alma mater, Roger Williams, where I teach a graduate level course. I joined my local Planning Board where I provide my expert knowledge on responsibly building and shaping the community around me.

What makes this nominee an Industry Leader? "The quality of an architecture firm is defined by the talents of its people, and we are extremely fortunate to have the broad and deep design talents of people like Tim. With his design acumen and commitment to client service, Tim will lead MP as it continues to grow." - Janet Morra, AIA, LEED AP, Principal | Partner at Margulies Perruzzi.
