November 06, 2008 - Owners Developers & Managers

D. Foley Landscape, Inc. has been selected as part of the 2008 Inc. 5000 list of the fastest growing private companies in America. This list provides the most comprehensive look of entrepreneurial companies across the nation.

"Our second annual Inc. 5000 continues the most ambitious project in business journalism," said Inc. 5000 project manager Jim Melloan. "The Inc. 5000 gives an unrivalled portrait of young, under reported companies across all industries doing fascinating things with cutting-edge business models, as well as older companies that are still showing impressive growth."

For 27 years, the Inc. 5000 has served as a benchmark for businesses across the nation. Dan Foley, president of D. Foley Landscape said, "We are proud to be part of the Inc. 5000 listing. This honor emphasizes our team's commitment to continually providing phenomenal results to our clients and to the entrepreneurial spirit upon which the company was founded 22 years ago. We are fortunate to have a great network of clients and employees who have fueled our growth."

The 2008 Inc. 5000 list measures revenue growth from 2004 through 2007. To qualify, companies must be U.S.-based and privately held, for profit, independent - not subsidiaries or divisions of other companies - as of December 31st, 2007, and have had at least \$200,000 in revenue in 2004, and \$2 million in 2007.
