March 01, 2024 - Front Section

Stockbridge, MA MountainOne Insurance Agency expanded into the Southern Berkshire County market with the opening of the agency's newest location at 31 Main St. on January 2, 2024.

With this expansion, MountainOne has also appointed two industry veterans to the agency: Tim Minkler and Libby Peyron. Both are longtime residents and well-known local insurance professionals.

Minkler and Peyron will remain in their office space where they can continue serving the Stockbridge community in this new role. "The Minkler family has served the Stockbridge community from this same office on Main St. since the inception of Minkler Insurance Agency in 1965," said Minkler. "I've truly enjoyed carrying on the family legacy over the years. And as we enter the next chapter of the Minkler legacy, MountainOne is a perfect fit."

Jonathan Denmark, president and COO, MountainOne Insurance, said, "Their vast experience and deep industry knowledge will be a great asset to our customers and to MountainOne. No one knows the Stockbridge and Southern Berkshire County market better than they do, and from insurance needs to community engagement, they'll help to ensure we are meeting the needs of the local community in every possible way."

Peyron said, "MountainOne Insurance delivers a small agency feel backed by a very sophisticated operation, and that's just the right mix for the Stockbridge community. Furthermore, MountainOne's culture is a great fit for us, and we already feel at home."

MountainOne Insurance was also recently named Top Insurance Employer by Insurance Business America for the fourth time.

The new location sits across from the Red Lion Inn and adjacent to The Lost Lamb Patisserie/Snackerie. Denmark said, "We are proud to be situated right on Main Street amongst so many community gems, including the historic Red Lion Inn. Stockbridge is known far and wide for its art and culture, as well as its cozy, small town feel. It's a remarkably welcoming atmosphere to live and work. We are experiencing that firsthand, and we're excited to offer the same to the Stockbridge community as we welcome you into our doors."
