Gorman Richardson Lewis Architects promotes Gutmann to project manager

March 01, 2024 - Owners Developers & Managers

Robert Gutmann

Hopkinton, MA Gorman Richardson Lewis Architects (GRLA) is pleased to announce that Robert Gutmann has been promoted to project manager. Gutmann manages a variety of building envelope projects including roof restorations, property assessment studies, leak investigations, and testing for residential condominium developments, academic and civic buildings.

“Robert brings his attention to detail and thorough understanding of the building envelope to each of the projects he manages. He is an integral part of our BES team and welcomes new opportunities and challenges with enthusiasm. He has shown great dedication to the team and our clients, and we are excited for him to take on this new expanded role.” said Chris Paszko, director of building envelope sciences.

Gutmann is an active member of the CSI Worcester Chapter where he serves as secretary on the board of directors.
