2024 Women in Construction: Mahreana Hopson, TFMoran, Inc.

March 29, 2024 - Spotlights

Mahreana Hopson, PE
Structural Project Manager

TFMoran, Inc.

What has been the driving force behind your success in the AEC industry?

I would not be where I am today if it weren't for the mentors I have had along the way. They have provided me with the tools and confidence I needed to be successful in my career. I believe that everyone can benefit from a mentor-mentee relationship, especially women in male-dominated fields. Hopefully, I can pass on the invaluable advice I've received from other engineers.
