North Branch Construction holds beam signing at Easterseals Gammon Academy School

April 05, 2024 - Northern New England

Shown are: Easterseals NH leadership and Gammon Academy School staff celebrate a beam signing event at the new Gammon Academy School building.

Manchester, NH Easterseals NH hosted a beam signing event at the new Gammon Academy School project under construction with North Branch Construction. Easterseals NH leadership and Gammon Academy School staff attended for an opportunity to leave signatures and well-wishing messages on a structural beam recently installed in the new facility.

North Branch Construction is working with Easterseals NH in constructing a new 30,000 s/f,

two-story school building for Easterseals NH Gammon Academy on Zachary Rd. Designed to meet the accessibility and inclusivity needs of Gammon Academy students, the new facility will include 15 new classrooms, each with its own designated restrooms, as well as multi-purpose and administrative spaces.
