IFMA Boston hosts Thought Leaders Webinar for facility managers and other end users

April 05, 2024 - Owners Developers & Managers

Boston, MA On March 12th IFMA Boston hosted a Thought Leaders Webinar for facility managers and other end users entitled Raising the Bar for Building Performance and the Evolving ESG Landscape. Speaker Rachel Schiftan, LEED GA, TRUE Advisor, Fitwel Ambassador, BREEAM USA In-Use Assessor and Managing Director - Sustainability Services at Cushman & Wakefield led the discussion which focused on how the role of sustainability has transformed and how the green building community can be catalysts for innovation by influencing longer-term outcomes, assessing risk, and positioning themselves for success. She spoke about the struggles leaders have had to overcome, the evolving landscape, the increasing importance of partnerships/networks and where we go next. Interested in seeing the webinar?
