Stantic of North Branch Construction earns LEED Green Associate certification

May 03, 2024 - Northern New England

Julia Stantic

Concord, NH North Branch Construction said that Julia Stantic, assistant project manager, has received the LEED Green Associate credential from the U.S. Green Building Council. LEED Green Associates are equipped with the knowledge and skills necessary to promote and implement green building practices within the workplace and community.

“Julia obtaining the LEED Green Associate designation is just another example of her commitment to ensuring she has the skills and knowledge base to most effectively serve our green building clients,” said Joseph Campbell, North Branch president. “Attaining LEED Green Associate credentials is an important and valuable contribution that Julia has made to the quality of the services North Branch provides our clients.”
