Wonderland Yoga Studio celebrates grand opening at 129 Wayland Ave.

May 10, 2024 - Rhode Island

Providence, RI Wonderland Yoga celebrated its grand opening on April 20th in a newly designed

2,381 s/f space at 129 Wayland Ave. This “Mindful Movement Playground” aims to cultivate a space where individuals can explore the depths of their practice while embracing creativity, playfulness, and community.

Chris Woodard Team of Keller Williams represented the landlord and Vision 3 Architects provided design services.

Founded by Abbe Ciulla and Alyssa Karam, Wonderland Yoga Studio (WYS) is more than just a yoga studio; it’s like a dance party for your soul. WYS offers a range of movement and yoga classes, dharma, lectures, kirtan, meditation, and more. Whether you are looking for a sweat, to quiet your mind, or connect with like-minded individuals, WYS has got you covered.

“We are thrilled to open our doors and welcome the Providence community to our Mindful Movement Playground,” said Ciulla, owner of Wonderland Yoga. “Our studio is designed to inspire exploration, growth, and connection, catering to individuals of all levels and backgrounds.”

WYS sets itself apart in both practice and design, embodying a core concept of the studio: stepping out of the box, letting go of the idea of what is normal, and embracing new experiences with playfulness and joy. Each class is meticulously crafted by a team of ten exceptional teachers, allowing their creativity and diverse backgrounds to shine through in their offerings.

WYS is offering a special 2-week unlimited yoga pass for \$30, allowing students to explore the various offerings and find what resonates best with them. Additionally, the studio offers student and monthly membership discounts.
