Turbine, Inc., a creator and operator of online worlds that foster social gaming communities, has executed a 22,497 s/f lease at Dedham Executive Center.

The Colliers Meredith & Grew team of Jim Elcock, Dave Goodhue and Bill Lynch represented the landlord, KS Partners. Turbine was represented by Mark Mulvey and Tom Kent of DTZ FHO Partners.

Dedham Executive Ctr. is an 180,000 s/f, three-story, class A office building at 980-990 Washington St.

"Dedham Executive Ctr. is a great solution for Turbine's growing real estate needs due to its proximity to their headquarters in Westwood and the abundant building and area amenities," said Elcock.
