Bridgewater Savings welcomes one of its newest employees, William Mahoney, assistant vice president and trust officer.

Mahoney comes to Bridgewater Savings with over 12 years of experience in the financial services industry. He most recently served as assistant VP and trust officer at Anawon Trust, a division of Bristol County Savings Bank. His experience in financial planning and investment management was gained through his work at advisory firms in Chicago, N.C., and R.I.

"Mahoney's continued growth portrays his dedication to his career and the industry. While his proficiency and confidence in his financial skills are ideal, his extensive work with nonprofit organizations is simply inspirational," said James Lively, president and CEO of Bridgewater Savings.
