MIDA Italian restaurant expanding to The Fenway section

August 30, 2024 - Retail

Boston, MA Chef and restaurateur Douglass Williams, and business partner, Seth Gerber, are opening a fourth location of their Italian restaurant, MIDA, in The Fenway neighborhood this October. The new MIDA location at 1391 Boylston St. will further build on the brand's growing popularity. In preparation for this expansion, DW French, their French brasserie, had its final service on Sunday, August 18.

"DW French will always hold a special place in our hearts," said Williams. "At the same time, we are thrilled to bring MIDA to The Fenway and are excited for our local community and the many visitors to the neighborhood to experience MIDA's menu, which draws inspiration from the various regions of Italy and the simplicity of classic Italian cooking."

Gerber said, "The enthusiastic response to MIDA's handcrafted Italian cuisine made it clear that this is the ideal fit for The Fenway. We're excited to bring MIDA to such a vibrant and rapidly evolving community."

MIDA, known for its scratch-made pastas and Italian influenced neighborhood dining, has established itself with locations in the South End, Newton and East Boston. MIDA's menu focuses on the many regions of traditional Italian food and culture, using the freshest seasonal ingredients.
