Almy named business development manager at Cutler Assoc.

November 19, 2008 - Construction Design & Engineering

Cutler Associates has named John Almy to the newly-created position of business development manager.

In his new role, Almy will focus on establishing and maintaining relationships with key clients, real estate brokers, and community officials within the corporate and industrial marketplace.

Almy has more than 20 years of experience in sales and marketing within the construction and commercial real estate industries.
