The fall season marks the return of IFMA Boston events

November 01, 2024 - Owners Developers & Managers

Boston, MA The fall season always marks the return of IFMA Boston events, and this year is no different. Registration is now open for IFMA Boston’s FMForward Deep Dive 2024. The FMForward Deep Dive 2024 Conference will be held on November 19th at the Babson Executive Conference Center in Wellesley, Mass. Learn more about the event and also register here: <https://bit.ly/488i3Mi>

The program will focus on a case study and will be presented by Existing Conditions, GPRS, Pragmaticam, and LLB Architects. It will showcase how reality capture technologies like 3D laser scanning and drones, coupled with BIM integration can revolutionize the way facility data is managed and maintained. Through case studies, including a deep dive into Dexter Southfield preparatory school, the session will demonstrate how accurate digital

documentation can streamline operations, improve safety, and optimize long-term planning through space inventories and facility assessments.

Other Chapter Updates:

Another great IFMA Boston Fall Golf Classic at Granite Links in Quincy is in the books! September 30th was a picture perfect day, whether members and guests were golfing or participating in the golf clinic. Cocktails, networking and dinner were under the pavilion tent with a skyline view of Boston and a magnificent sunset. Make sure to put September 29th, 2025 into your calendar for next year's event!

Melodee Wagen, VP student relations attended IFMA International Advocacy Day which was held in Washington D.C. on September 17th and 18th. According to IFMA International, "Advocacy Day is where elected officials discuss the importance of legislation and how it impacts facility managers and the industry of facility management. It's also a chance to "understand the importance of chapter-based advocacy and get key insights on how to connect with elected officials, stay informed on the latest policies and laws affecting facility management, and how to create state and local government affairs programs for the chapter."

In early October 26 members of IFMA Boston travelled to San Antonio to experience IFMA International's World Workplace. In addition to attending speaker and educational sessions, as well as meeting vendors on the exhibit floor, the Boston Chapter held a cocktail reception on Wednesday night at the Devil's River Distillery in conjunction with the Greater NYC Chapter. It was a great evening, and everyone is looking forward to Minneapolis in 2025. On Thursday there was a Boston member only luncheon at the Lone Star Café, along the famed River Walk.
