Three skills that you use every day in your position:

Listen first, think second, and speak third.

Best book, podcast, or app for aspiring leaders:

Leaders Eat Last: Why Some Teams Pull Together and Others Don't by Simon Sinek

Best advice for new leaders in 10 words or less:

Find a way to get stuff done.

What recent project, transaction or accomplishment are you most proud of?

Working with the City of Quincy to support its downtown development guidelines and, more recently, to review the City's energy code and sustainability initiatives. Quincy has a combination of commercial and residential properties, providing an opportunity to make a difference through energy-efficient development by joining a group of communities that utilize the latest energy stretch codes for new projects.
