January 31, 2025 - Retail

Natick, MA The Bulfinch Companies, Inc. (Bulfinch) held the grand opening of Bosse, in collaboration with D.J. Bosse and chef Chris Coombs. The new space will feature a top tier pickleball facility and culinary destination at 310 Speen St. adjacent to the Natick Mall.

Bosse specializes in creating athletic and entertainment experiences tailored for sports-lovers and competitors with an emphasis on pickleball, dining and wellness. The new location is set to transform the local sports and entertainment scene with a family-friendly atmosphere.

Designed by Bosse and Coombs, this complex will stand as Massachusetts' largest indoor pickleball facility, with 21 courts and a fitness and wellness space that integrates skill development and recovery. The 97,000 s/f space also includes lounge areas, event venues, a sports theatre, dart lounges, a cold plunge, retail space, golf simulators, and various dining options curated by chef Coombs.

"Today marks an exciting milestone for both Bulfinch and the Natick community," said Mike Wilcox,

managing director of leasing at Bulfinch. “The grand opening of Bosse represents not just a new complex, but a vibrant entertainment hub where families and friends can gather to play pickleball and enjoy exceptional dining. We’re proud to help introduce this space and can’t wait for everyone to experience it.”

Formerly Neiman Marcus, the property is accessible at the intersection of Rte. 9 and the Mass. Tpke. (I-90). The new complex is poised to become a destination for sports enthusiasts and families seeking a blend of recreation and community engagement. DraftKings is partnering with Bosse on the sports lounge, a 21-and-older site with promotions and featured live sports. Franklin Sports, a Stoughton-based company, the exclusive pickleball equipment partner for Bosse will provide the space with pickleball equipment and oversee Franklin Stadium Court and Franklin Training Corner.

“We are thrilled to introduce Bosse into the Natick Mall,” said D.J. Bosse. “This state-of-the-art facility is designed to be a welcoming destination where everyone can come together to play pickleball, share great meals, and create lasting memories with family, friends, and the community.”
