Andrew Levy (senior manager-retail), Jay Lee (senior advisor) and Kim Reagan (director) of Berkshire Hathaway Verani Realty's commercial division represented the seller in this \$3.25 million transaction.

The property, built in 1917 on 1.43 acres, offers visibility and accessibility.

"These properties represent the strength of Derry's evolving commercial market," said Reagan.

“With an absolute lease in place, the buyer benefits from a true turnkey investment, while the community continues to thrive and the investor plans for the future re-adaptive use with an established business anchoring these locations.”
