April 25, 2025 - Retail

Mashpee, MA Mashpee Commons, a retail, dining, and entertainment destination, has opened TINA Stephens, a women's apparel boutique known for its travel-friendly, elevated lifestyle fashion. Located at 41 Steeple St., this marks the first Massachusetts boutique for the TINA Stephens brand, joining its 15 other stores located in other vacation destinations, including Florida, California, Colorado and the Carolinas.

Owned and operated by The TINA Stephens Group, the boutique offers a full range of signature clothing, including the brand's "Made in Italy Collection" – featuring high-quality fabrics, fashion inspired designs, and versatility. Shoppers will find an array of wardrobe essentials, from comfortable layering pieces and chic summer dresses to stylish separates perfect for both everyday wear and travel.

"Mashpee Commons is the ideal location for our first Massachusetts boutique," said Angelena Lackovic, VP of stores with TINA Stephens. "Mashpee Commons is a popular year-round destination for local residents and visitors alike, and many of our customers on Cape Cod are already familiar with our brand from spending time in Florida. Delivering the full TINA Stephens experience to customers closer to home is a natural evolution."

The boutique complements Mashpee Commons' blend of local and national retailers, offering shoppers a selection of fashion-forward yet practical apparel. All products are designed and manufactured by TINA Stephens, ensuring a unique and high-quality collection. In addition to clothing, the store will feature a range of accessories designed to round out a travel-ready wardrobe.

"TINA Stephens is a perfect addition to the Mashpee Commons retail community," says John Renz, VP of Mashpee Commons. "Its focus on comfortable yet stylish clothing aligns perfectly for shoppers seeking quality, versatility, and a touch of coastal elegance with a summer flair."
