Charlotte, NC Atlantic Property Management has continued growth across North Carolina with the addition of two new property management assignments. The company has been selected to manage a 53,351 s/f shopping center in Hope Mills and an 88,000 s/f newly developed shopping center in Garner.

The Hope Mills property, a well-established retail destination, adds to Atlantic's expanding portfolio of community shopping centers. Strategically located with high visibility and accessibility,

the center features a dynamic mix of tenants that serve the growing Hope Mills community.

"We are thrilled to continue our expansion in North Carolina with these two exciting projects," said Chad Boulay, national director at Atlantic Property Management. "Both properties align with our strategic focus on high-quality retail centers that serve thriving communities. We look forward to applying our hands-on management approach to ensure the long-term success of both centers."
