June 06, 2025 - Northern New England

Joe Robinson

Nathan Beliveau-Robinson

Hooksett, NH NAI Norwood Group sold Faulkner's Landscaping & Nursery Inc. at 1130 Hooksett Rd., a business serving central and southern New Hampshire since 1992.

Joe Robinson and Nathan Beliveau-Robinson of NAI Norwood Group represented the seller, while Chris Norwood, also of NAI Norwood Group, represented the buyer. The collaboration between all parties ensured a smooth transition, honoring the legacy of a business that has become a household name in the area.

Faulkner's Landscaping & Nursery Inc. built a reputation not just as a reliable provider of landscaping solutions, but as a community partner — helping homeowners, businesses, and municipalities transform their outdoor spaces with care and creativity.

"This transaction represents more than a change in ownership — it's the passing of the torch from one steward of the business to the next," said Joe Robinson. "Faulkner's has always been about more than just plants and patios; it's been about people, and we're proud to have helped facilitate its continued legacy."
