Acella Construction supports Northeastern University Athletics as sponsor of golf classic

June 20, 2025 - Construction Design & Engineering

Plymouth, MA Acella Construction Corp. was a sponsor of the 21st Annual Northeastern Athletics Golf Classic, held May 15th at Pinehills Golf Club.

The golf classic serves as the key fundraiser for Northeastern's athletic programs, helping to support student-athletes and promote competitive excellence.

Acella Construction has a long-standing history of collaboration with Northeastern, having managed a variety of build-out and renovation projects for the institution, including multiple lab renovations on campus in the Mugar Life Sciences Building, Hurtig Hall, Egan Research Center, and other buildings. Acella has also completed multiple renovations in the Cabot Physical Education Center, including finish upgrades throughout the building, a new lift, locker room renovations, a track chute, and audio and visual upgrades within Solomon Court.

"It is our pleasure to support Northeastern University and its student-athletes," said Saul Schrader, president at Acella Construction. "The Golf Classic is a fantastic event that brings together the community in support of athletic excellence, and we're honored to be a part of it. We look forward to continuing our collaboration with Northeastern University for years to come."
