Pearce Real Estate welcomes Odyniec to the Edgehill team of Realtors

June 20, 2025 - Connecticut

Mark Odyniec

New Haven, CT According to Nanette Pastore, president of Pearce Real Estate, the company is welcoming it's newest Pearce pro, Mark Odyniec, to the Edgehill Team, a top producing team at Pearce for 15 years.

Odyniec brings a wealth of experience and a strong local connection to his new role. Born in New York City, he has spent most of his life in Connecticut shoreline communities, including the past 20 years in Madison. Before beginning his real estate career, Odyniec worked for three decades in banking, serving as a branch manager and mortgage originator with M&T Bank (formerly People's United Bank). His background in home financing gives him a perspective on the buying process — making his transition to Realtor a natural one.

"We are excited to welcome Mark Odyniec to Pearce Real Estate. His decades of experience in the mortgage industry, knowledge of the local market, and passion for helping people make him a natural fit for our industry. We know our clients will benefit greatly from his insight, integrity, and dedication," said Pastore.

"I'm thrilled to help clients find the perfect home, right from the start of their journey," Mark said.

Odyniec and his wife, Terri—assistant director of financial reporting at the Yale University School of Medicine—are both proud graduates of the University of Connecticut, and each earned graduate degrees from the University of New Haven. They have two children: a daughter who works as an accountant at PwC in Boston, and a son who is a senior at The Ohio State University, majoring in accounting.

Active in the community, Odyniec is a former Rotarian in both West Haven and Madison and currently serves on the Board of the Creative Arts Workshop in New Haven. In his free time, he enjoys a wide variety of activities including downhill skiing, pickleball, basketball, softball, golf, and kayaking.

Odyniec understands that real estate decisions are personal and unique to every client. Whether you're searching for a home in the city, countryside, shoreline, or hills—whether you're downsizing, upsizing, or right-sizing—he's ready to help you every step of the way.
