HDS completes 10,000 s/f three Talbots concept

December 02, 2008 - Front Section

The new 10,000 s/f Talbots, designed by HDS Architecture of Watertown, Mass. has just been completed, featuring the three Talbots concept.

HDS Architecture is an international architectural design firm. ?

"We are excited to have reenergized an existing underperforming retail site with a new high quality retailer and eye catching building," said Hans Strauch, president of HDS.
