Bria begins preleasing at 140-unit Vesa - scheduled to open September

August 01, 2025 - Owners Developers & Managers

Marlborough, MA According to Bria, a fourth-generation property management firm focused on class A multifamily assets, Vesa, a luxury multifamily development is now available for preleasing. The 140-unit building is scheduled to open to residents in September.

The property is located at 339 Boston Post Rd. Upon completion, Vesa will feature 140 units, offering an array of resident-focused amenities. These include a grand lobby and resident lounge, a fitness center, a resort-style outdoor pool deck, and a dedicated dog park, among other premium offerings. The property will provide a mix of apartment layouts, with 60 one-bedroom, 62 two-bedroom, and 18 three-bedroom units, catering to a variety of lifestyle needs.

Vesa offers a lifestyle connected to the outdoors. Walking trails weave through the landscape,

providing a quiet escape for a stroll, a jog, or simply enjoying nature. Alongside the trails, outdoor amenities provide inviting spaces to unwind, recharge and make the most of fresh air and open spaces.

Vesa includes a suite of amenities designed for modern living, featuring the fitness studio equipped with top-tier gear, offering the perfect environment to revitalize your daily routine. Residents can take a leisurely walk along walking trails, offering a reprieve from the hustle and bustle of everyday life, or unwind in the resort-inspired pool, designed to offer a serene escape with its inviting waters and relaxing atmosphere.

“Vesa represents our commitment to bringing more housing to the city of Marlborough,” said Bryan Walsh, managing director at Bria. “This development provides residents with a lifestyle connected to the outdoors and is poised to become a major part the community, and we’re proud to see Vesa become the new home for both current Marlborough residents, and new ones as well.”

The development was designed by architecture firm Mangel DeStefano Architects, with Procopio Construction serving as the construction manager.

Vesa offers a mix of unit types at varying price points to meet resident needs.
