December 02, 2008 - Northern New England

Bedford Capital Consulting, a national leader in cost segregation studies, has changed its name to Bedford Cost Segregation, LLC. Greg Bryant, managing partner, said that the new name and logo will better identify the company's core business, which is providing cost segregation services to the commercial real estate industry.

“As part of the new organizational structure, Bryant will serve as co-managing partner with Terri Johnson and Bruce Johnson, who have directed the company's services in the mid-Atlantic region.
