## **Devine promoted to civil project manager at TFMoran**

September 05, 2025 - Northern New England

Jonathan Devine

Bedford, NH TFMoran has promoted Jonathan Devine, EIT, from project engineer to civil project manager. Since joining the firm in 2021, Devine has demonstrated technical expertise, leadership, and commitment to client success. He began his career at TFMoran as a field surveyor; and soon after transitioned to a civil project engineer. Over the last four years, Devine has played an integral role in the design and coordination of a variety of civil engineering projects throughout New Hampshire.

Devine will be expanding upon his current responsibilities of preparing civil/site plans, technical documents, permit applications, and managing assignments to overseeing overall project planning, team management, and budget management while ensuring compliance and quality standards are met for both public and private development projects.

Devine holds an MBA in Engineering Management from Southern New Hampshire University and a Bachelor of Science in Civil Engineering – Bio Resources Engineering from Montana State University. He is also a certified Engineer-in-Training (EIT) and has been accepted into the Leadership of Greater Manchester, Class of 2026.
