Stevens joins Jewett as project manager

December 02, 2008 - Northern New England

Gary Stevens has joined Jewett Construction Co., Inc. as a project manager. With a construction background of more than twenty-five years, Stevens has managed projects ranging from water and waste water treatment facilities, to heavy industrial, to residential construction.

Stevens was previously the sole proprietor of a general contracting firm in southern New Hampshire. Jewett Const. is a design-build firm specializing in commercial, industrial, municipal, institutional and multi-family projects.
