## **Engelberth Const. relocates offices**

December 02, 2008 - Northern New England

Engelberth Construction, Inc. relocated their operations to 428 Main St. The new office offers new amenities for employees, and room for growth.

"We were fortunate to find such a nice space so close to our current office. We really wanted to limit the impact the relocation would have on our clients and our employees. I don't think we could have found a better location for our team. Our new location and enhanced operational efficiencies will help us continue to grow and evolve to keep pace with our client's needs, allowing us to provide exceptional value and superior service along the way," said Pierre LeBlanc, president.

Engelberth completed the relocation of their office at the beginning of September.
