The 34.5-acre site is located off the Carrollton Pkwy. 20 miles north of the Dallas CBD in a submarket characterized by relatively little new construction coupled with an average apartment occupancy rate of approximately 95%.

Planned amenities include private entrances, private patios and balconies, attached garages, full GE appliance packages including full sized washers and dryers, bay windows, mini-blinds, walk-in closets with organizers, oval garden tubs, marble bathroom vanities, gas fire places with oak mantles, 9' ceiling heights, central AC and forced air gas heat, and a club house/rental center that features an outdoor pool, fitness and business center.
