## **BOMA Greater Hartford Chapter Membership**

December 17, 2008 - Connecticut

Get connected with one of the most highly respected real estate organizations in the Greater Hartford Region. See why other property managers, facility managers, brokers, building contractors, and vendors want to be a part of the nation's largest association networks specifically designed for real estate professionals.

The BOMA Greater Hartford Chapter has grown from 10 members to over 150 since its inception in 1978. Members include building owners, developers, property management companies, major corporations, and fortune 500 companies.

This well established and dynamic group of professionals offers its members access to seminars, educational opportunities, special real estate publications, special events, and the ability to meet other business professionals associated with the real estate industry.

The Building Owners and Managers Association is the most influential professional organization representing commercial real estate. With nearly 100 years' experience, it is the one voice your business needs to meet the challenges of today's changing business environment. Membership in BOMA gives you the tools you need to ensure corporate and personal success.
