Payette awarded 4 healthcare projects

December 17, 2008 - Construction Design & Engineering

Payette has been awarded four new contracts with healthcare institutions to plan for future patient and research needs. The projects encompass nearly 1.5 million square feet, stretching from Boston to Alabama.

Payette was awarded the commission to perform programming, master planning and conceptual design services for Hebrew Rehabilitation Center (HRC) in Roslindale.

At Newport Hospital, in Rhode Island, Payette was recently awarded a comprehensive Facility Master Plan.

Design for a new Ambulatory Care, Cancer and Orthopedic Hospital for Thomas Jefferson University Hospital in Philadelphia.

And design of the new 150,000 s/f Wallace Tumor Institute and Cancer Center at the University of Alabama at Birmingham.
