JCJ Architecture wins three design awards

December 31, 2008 - Connecticut

JCJ Architecture received honors for its work in three categories at the American Institute of Architects (AIA) of Connecticut awards presentations at the Pequot Library. The annual awards program recognizes Conn. architects' outstanding work in 19 categories representing the full scope of work in the state. Of the 160 entries, the jury recognized JCJ for its work in Built Design: Preservation Design, Built Design: Institutional/Educational, and Unbuilt Design.
